In the Original Article [1], affiliations 4 and 5 were mistakenly associated with some authors. Affiliation 4 was associated with M. Schoebitz, D.A. Moreno and C. García-Viguera; while it should have only been associated with author M. Schoebitz.

Moreover, all authors were associated with Affiliation 5 in the Original Article. Affiliation 5 should have

only been associated with C. García-Viguera and D. A. Moreno.

This Correction article shows correct affiliations. The original article has been corrected.
